The list of vehicle included for timing conference on 05/01/2016 is published herewith. Concerned operators, permit applicants, petitioners and respondents in the WP(C)/MVAA/MVARP or their authorized representatives shall treat this as their individual timing conference intimation and to attend the conference without fail. Only en-route operators or their authorized representatives will be allowed to attend the conference. The persons attending the conference are directed to produce relevant documents such as permit and timing schedules in original and authorization for verification at the time of conference. Production of original current records will be a pre-requisite for conducting the timing conference. More than one person could not be allowed to represent one vehicle. Due to any unforeseen reasons if the timing conference of a day is postponed, the same will be conducted on the next timing day of that sector (for e.g. if the timing conference of Monday is postponed, the same will be conducted on next Monday), for this there will not be any further intimation/notice.
